BEFORE THE 1998 FEDERAL COMMUNICATIONS COMMISSION WASHINGTON, D.C.

In the Matter of)	
Amendment of Section 73.202(b), Table of Allotments, FM Broadcast Stations.) MM Docket No) RM	
Cannon Ball, North Dakota))	

To: Chief, Allocations Branch, Mass Media Bureau

PETITION FOR RULE MAKING

High Plains Broadcasting, Inc. ("HPBI"), by its attorneys and pursuant to Section 1.401 of the Commission's Rules, respectfully requests that the Commission institute a rule making proceeding to allot Channel 298C to Cannon Ball, North Dakota.

As set forth in the attached Technical Exhibit, which is incorporated by reference herein, this proposal will serve the public interest. The allotment of Channel 298C to Cannon Ball, North Dakota, will provide the first local aural transmission service to Cannon Ball, which is a census designated place with a population of 702, according to the 1990 Census. See 1990 Census of Population and Housing, North Dakota (1993). Cannon Ball is located at the northeast corner of the Standing Rock Sioux Reservation, near the confluence of the Cannonball River and Lake Oahe.

Approximately 35 miles of rural countryside separate Cannon Ball from Bismarck, North Dakota (which is in a different county and time zone than Cannon Ball.) 1/ Cannon Ball

Distance is calculated by the USGS Geographic Server, as reached through the site www.indo.com/distance.

No. of Copies rec'd List ABCDE

has its own post office and zip code (58258), other local establisments, including a local convenience store — the Cannon Ball Pit Stop — and its own Veterans Memorial Center. Cannon Ball also has its own elementary school, which serves children from both Cannon Ball and nearby Solen, and its own Head Start program. At least three religious denominations maintain buildings and services in Cannon Ball for its residents. Under Commission precedent, these civic, business, social, and religious indicia, as well as Cannon Ball's status as a census designated place, demonstrate that Cannon Ball is a community deserving of its own aural transmission service. See, e.g., Report and Order (Hannahs Mill, Milledgeville and Perry, Georgia), 6 FCC Rcd 3753 at ¶ 9 (1991); Implementation of Docket No. 80-90 to Increase the Availability of FM Broadcast Assignments, 5 FCC Rcd 934 at ¶¶ 4-8 (1990). That the local phone book explicitly identifies individuals as residents of Cannon Ball, see attached, confirms this result.

The above proposal would enable Cannon Ball to obtain its own FM broadcast service and provide a means of entertainment and information for its residents. If the above proposal is approved, it is HPBI's intention to apply for the above allotment promptly and, once granted, to implement construction as quickly as possible.

Accordingly, it is respectfully requested that the Commission issue a Notice of Proposed Rule Making as herein requested and thereafter adopt such a proposal.

Respectfully submitted,

HIGH PLAINS BROADCASTING, INC.

Sy: F William La Boom

TECHNICAL EXHIBIT IN SUPPORT OF A PETITION FOR RULE MAKING TO AMEND THE FM TABLE OF ALLOTMENTS CANNON BALL, NORTH DAKOTA

Technical Narrative

This technical narrative and associated exhibits have been prepared in support of a Petition for Rule Making to amend Section 73.202(b) by the allotment of channel 298C (107.5 MHz) to Cannon Ball, North Dakota.

Proposed Change in Table of Allotments

It is requested that Section 73.202(b) be amended by the allotment of channel 298C to Cannon Ball, North Dakota. Cannon Ball is located in Sioux County, North Dakota and has a 1990 U.S. Census population of 702 persons. Cannon Ball has no local FM stations and no local AM stations. Therefore, Petitioner's proposal would be a first local FM broadcast service and first local aural broadcast service to Cannon Ball. The proposed changes are as follows:

<u>City</u>		Present	Proposed
Cannon Ball,	North Dakota		298C

The proposed channel 298C reference point is located 267 km from the nearest point of the U.S.-Canadian border; therefore, coordination with Canada may be necessary.

Page 2 Cannon Ball, North Dakota

Compliance With FCC Rules

The attached Figure 1 is a tabulation of required separations pertinent to use of channel 298C at Cannon Ball. As shown, the reference coordinates comply with the Commission's minimum distance separation requirements contained in Section 73.207 with respect to all existing, authorized and proposed stations and allotments.

Figure 2 is a map showing the area to locate channel 298C at Cannon Ball in compliance with the Commission's minimum distance separation requirements and city coverage requirements based on minimum Class C facilities (ERP 100 kW/HAAT 300 m). The Cannon Ball city limits shown on Figure 2 were obtained from a map contained in the 1990 U.S. Census of Population.

Conclusion

Channel 298C can be allotted to Cannon Ball, North Dakota in compliance with all applicable Commission Rules.

DECLARATION OF MICHAEL HALL

- I, Michael Hall, declare as follows:
- 1. I am President of High Plains Broadcasting, Inc. ("HPBI").
- 2. HPBI intends to apply for a construction permit for the channel requested in the attached Petition upon adoption of the proposed rule making.
- 3. If awarded the construction permit, HPBI will promptly construct and operate such facilities.

I hereby declare under penalty of perjury that the statements made in this declaration are true and accurate to the best of my knowledge, information and belief.

Michael Hall

Executed this 19th day of November, 1998.
